Student absences are calculated from a morning session (A.M.) and afternoon session (P.M.). For example, if your child has been absent for 1 day, then this will show as 2 absences.

Understanding my report

Minimum Expected Grade: - this represents the grade we believe your child is capable of achieving, at the end of Year 11, were they to display an exceptional Attitude to Learning (ATL) and apply their learning in exam conditions. This is intended to be an aspirational grade that we think your child should strive to achieve.

Current Grade: - this represents the grade your child would receive based off a combination of work and assessment completed in lessons.

Forecast Grade: - this represents the grade your child is expected to achieve in Year 11, were they to continue with their current ATL levels.

BTEC Grade Conversion

L1P = Grade 1.25 L1M = Grade 2 L1D = Grade 3 L2P/P = Grade 4 L2M/M = Grade 5.5 L2D/D = Grade 7 L2D*/D* = Grade 8.5

I have a question about my child's report:
